

Course: _____ Semester/Year: _____/_____

I, _____, understand that this form concerns having Dr. Paul post my grades confidentially on the internet.
(Please **print** your name.)

Paul post my grades confidentially on the internet.

- I understand that this option is provided solely for my convenience.
- I understand that my name will not be associated with my posted grade in any way that would make it easy for others to associate me (my name) with my grade.
- I understand that I can change my identification code as many times and at any time I like simply by giving Dr. Paul an updated version of this form.
- I understand that grades will be posted until the end of this semester, after which time (no more than one week after the final exam) all grades will be removed from the WEB.
- I understand that the information provided on the internet concerning class grades is posted so that students can see what their current grade/average is throughout the semester. Further, I understand that the grades posted are not final. That is, Dr. Paul reserves the right to adjust (scale) final grades based on the class average as well as sobbing and begging on the part of individual students.
- I understand that my grade will only be identified by a “secret code” of my choosing (having no more and no fewer than eight characters). And, that my grades will be presented on a web page with others’ grades in a format similar to the one below:

Secret Code	Exam 1	Exam 2	Exam 3	Final Exam	Absents	Current Grade		Best Possible Grade	
11223344	82	88	0	0	1	85	B	88	B+
81632222	55	61	0	0	5	58	F	74	C
10081926	96	94	0	0	2	95	A	96	A
Etc.	Etc.	Etc.	Etc.	Etc.	Etc.	Etc.	Etc.	Etc.	Etc.

I have read and understand the above and have decided to go with the following option which I’ve check-marked below:

ONE: Please use my 8-digit Robert Morris Student ID number. NOTE: This is **not** the number on your student ID, or *Freedom*, card, it is actually the 8-digit number listed in *Banner* that begins with “R” (but I will *not* be using the leading “R” on the grades webpage).

TWO: I would like to choose my own 8 character/number “secret code” specified below:

<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
----------------------	----------------------	----------------------	----------------------	----------------------	----------------------	----------------------	----------------------

THREE: I do not want my grades posted on the internet, no matter how useful that would really be for me to do. However, should I change my mind, I know that I can go to the class grades website and download a new copy of this form to fill out and give to Dr. Paul.
