---

**14. How could this course be improved to make the instruction more effective?**

104 - Nothing it was all good

105 - Have the exams be easier in the sense of less complicated answers considering most students struggled with all of the exams.

107 - Nothing! Maybe a review on the current chapter before the test

112 - I can't think of any improvement

113 - I think the tests could have more accurately reflected the content in the book and the content taught in class.

116 - I enjoyed this course

119 - Maybe a couple assignments here and there instead of only exams.
